InDownton

20 years of InDownton

The first issue of InDownton came out in December 2005. It was a newsletter that would go to every house providing village information for those that don't use social media. It would aim to bring out the best in our village, supporting local organisations and providing a platform to bring people together and be interesting to read. The first issue had four pages, no adverts, and brought together the churches' Christmas services. There were four issues a year, until 2012 when it increased to five, apart from a break during the pandemic when the online site expanded. Today, the newsletter often has 20 pages part funded by increased advertising which has also meant that many pages are now in colour.

InDownton has documented the village's growth and changes. It all happened because of the support of Downton Baptist Church which shared the vision and has underwritten the cost since day 1. Advertisers, contributors and a great team of deliverers have kept it going. The editorial team are so grateful to them all as we prepare to see what the future brings. And thank you for the great support from our readers, which always motivates us to keep going!

The first page of issue 1 is above. We've reproduced some of our more memorable stories inside on page 16. How many of the stories do you remember?

In this issue:

Welcome to our 20th anniversary issue.

We hope you can forgive a little indulgence as we celebrate our 20 years.

This issue is full of news about Christmas events including the weekend of 5/6/7 December when there are lots of events for all ages as the village gears up for Christmas. We've grouped the events together on pages 2, 3 and 4 to help you plan your weekend.

As usual, we've tried to get as much information as we could about the festive opening hours of local businesses. You'll find them on pages 6 and 7, although please forgive errors and omissions.

Finally, we wish you a Happy Christmas from all our contributors.

PINOCCHIO

On Friday 9 January at the Memorial Hall, The Travelling Players (Forest Forge, Bumblefly and Mischievous Theatre) will return with their festive production. This year's show presents the story of Pinocchio, a wooden marionette who seeks to become a real boy. Pinocchio's nose grows whenever he tells a lie. The story follows his encounters with the Fox, his flight on the back of a pigeon, his experience of being swallowed by a giant shark, his attempt to grow gold coins by planting them, and his transformation into a donkey. It will feature live action, music, and puppetry for audiences of all ages. Refreshments and a licensed bar will be available.

It starts at 6.30pm (doors open 5.45pm). Tickets cost £10 for adults, children (under 16) £5. Available from 1 December at the Borough Café (cash only), or by BACS by texting 07760 415818 or 07545 598887 with ticket requirements. Profits go toward the refurbishment of the hall kitchen.

DOWNTON'S BIG CHRISTMAS WEEKEND

On the weekend of 5, 6 and 7 December, there's a whole range of activities to celebrate the Christmas season without leaving the village, with opportunities to support local groups and buy local presents. PARISH COUNCIL NEWS

The trees planted as part of the King's Coronation grant are generally thriving, with a few exceptions that will be replaced. Despite the dry summer, most have continued to establish well.

The Parish Steward, Steve, carries out maintenance tasks such as shovelling, unblocking, and weeding around the Parish. His next visit is scheduled for 9 December, and residents are asked to report any tasks that require attention.

The Council is preparing for winter with Flood Wardens while Wiltshire Council will continue monitoring and clearing gullies.

Funds have been approved and secured from Wiltshire Council for the Wooden Spoon crossing improvements and for road safety improvements at the Tannery pinch point. Eleven locations in the village have been selected for traffic surveys to collect data on vehicle numbers, size, and speed. A new dedicated solar-powered Speed Indicator Device (SID) has been installed in Moot Lane. This is in addition to the SID shared with Redlynch PC.

A local tree surveyor who walks his child to school spotted a fungus on one of the beech trees in the Memorial Gardens, and the tree will need to be felled. A grant to replace it with an oak to mark 80 years since VE Day has been approved.

Residents experiencing anti-social behaviour, crime, or disturbances should report incidents directly to the local Police; reports made on Facebook are not monitored by Police. In an emergency, residents should dial 999 if there is an immediate danger to life, if violence is occurring or threatened, if a crime is in progress, or if the suspect is still present.

Parish Council meetings take place on the second Monday of each month in the Bonvalot Room at the Memorial Centre, beginning at 7pm. A public question period is held at the start of each meeting.

EXCITING NEWS FROM DOWNTON'S GLASS ARTIST!

Lynn Purcell was delighted to be selected from 6,500+ entries to take part in ING – Discerning Eye at the Mall Galleries in London (14th – 23rd November). This is the latest prestigious exhibition that she has been selected for in 2025. Others include The Royal Society of British Artists Open Exhibition in February and The Royal Society of Marine Artists Open Exhibition in September. Her work is also currently on display in The Bath Society of Artists 120th Open Exhibition until January 10th and in The Guildford House Open Exhibition until February 28th.

Lynn says: "I would like to say a huge thank you to all those who have encouraged and supported me over the past 13 years while I have experimented with this magical medium of glass, as without you, I wouldn't have had the belief to apply for such renowned events. I count myself exceptionally lucky to have found something in retirement that I love to do and have had a certain degree of success with."

DOWNTON SOCIETY

At the Downton Society's AGM, Helen Roberts gave a talk on the creation and restoration of the hillside map of Australia at Compton Chamberlayne. She spent more than four years coordinating a team to restore the chalk outline, originally created by members of the Australian Imperial Force stationed at Hurdcott Camp during the First World War. Restoration was completed in time for the 100th anniversary of the end of the war, and Anzac Day has been marked at the site annually since. The map is visible from the A30.

Hillside map

Over the summer, Society members took part in local projects including footpath clearing and a planting initiative with the Parish Council. The Committee also addressed planning matters and organised social activities such as a summer party and a visit to Downton Brewery. The next project is an exhibit for the Christmas Tree Festival.

The Society welcomes new volunteers and members. More information at thedowntonsociety.org.

FRIDAYS COMMUNITY CAFE.

The final coffee morning of the year will take place on 28 November - but the cafe will be back in January.

September's coffee morning raised over £478 for Macmillan Cancer Support, which the team topped up to send in a total of £500. In October, the cafe was Halloween-themed, with small pumpkins on the tables and ghost-shaped biscuits and cakes. Dave Mace provided keyboard music.

These events are supported by a team of volunteers who help with various tasks. This includes washing tablecloths, baking cakes, washing up, and setting up and clearing away tables and chairs. During the school holidays, additional help is on hand to tidy up - perhaps encouraged by the availability of cakes!

TALKABOUT AT WOODFALLS METHODIST CHURCH

December's TalkAbout is entitled "Cosmic Sparkle!" and features Robyn, singing songs from her repertoire of vintage, swing, jazz and songs from the shows. It's on Thursday 4 December, 10:00 for 10:30am. Admission: £4, includes refreshments. Call 07760 224990 for more information.

PLANNING FOR THE 2026 CUCKOO FAIR

The date for the 2026 Cuckoo Fair has been set for 2 May. The Core Team is focusing on potential improvements based on feedback collected during the post-fair review meeting. All volunteers who joined in 2024 to help organise the 2025 event have confirmed their intention to return for the 2026 fair.

The overall format of the event is expected to remain similar, with plans for additional stalls and attractions. More than one third of the stalls at the most recent fair were new, reflecting the work of the Bookings Manager in recruiting first-time exhibitors.

Stall costs for exhibitors have been increased due to rising expenses. Prices must be set in October, even though the final costs of the fair are not known until closer to the event.

Budgeted items include medical cover for approximately 18,000 attendees, insurance, security, entertainment, marquees, bins, toilets and the printing of 5,000 day leaflets.

The total cost of running the 2026 Cuckoo Fair is estimated at around £45,000. The event also provides fundraising opportunities for schools, churches, pubs, clubs and charities. For example, Trafalgar School operates one of the car parks and retains income from car park charges.

Toomers Ltd will again sponsor the fair and supply the road barriers, and Batt Broadbent Solicitors will once again sponsor the day leaflet.

Volunteers interested in assisting before or during the event can make contact via cuckoofair.co.uk/contact-us.

SKY AT NIGHT BY MICHAEL F. BARRATT FRAS

Winter constellations are now visible. The Pleiades open star cluster is now very prominent in the night sky in the east, together with its sister open cluster, the Hyades, both in the constellation of Taurus the Bull.

Mercury is at its morning brightest during the first half December, rising in the east at around 6 am. On the morning of 17 December, it will appear just to the left of the waning crescent Moon. Venus and Mars are both lost to the sun's glare this month. Jupiter is the brightest planet visible in the sky. It rises at around 6pm. and shines brilliantly all night. It will be found in the constellation of Gemini (the Twins) close to its two brightest stars, Castor and Pollux. Saturn, the other gas giant, can be seen after dark just under the Great Square of Pegasus, setting around midnight.

Three Comets have been visible in the night sky recently. Comets SWAN and Lemmon are periodic comets which come from the Oort Cloud and which orbit the Sun, whilst ATLAS is an interstellar object which has come from another star system and is merely passing through our own solar system. More information from the Society for Popular Astronomy (popastro.com).

The full moon on 4 December is known as a “Cold Moon”. It will be a “Supermoon” (when it is also at its closest point to Earth in its orbit) as well as occulting (covering up) the Pleiades star cluster.

The Geminid meteor shower is best observed on the night of 13/14 December but will be visible for a few days either side - you can expect to see the remnants of Phaethon (an asteroid) streaking northwards across the sky. The Ursids occur every year on the night of 24/25 December. This year, the moon sets early, so the shower should be clearly visible.

LATE SUMMER BALL

The Late Summer Ball at the end of September raised £4,600 for the charity Young Minds. It opened with a display by the Forest School of Dance, followed by performances from local party band Shantosy and comedian Tank Sherman.

CHARLTON CHRISTINGLE AND NATIVITY

There's a Christingle Service at All Saints' Church on Sunday 14 December at 3:30pm, led by the Revd Maggie Metcalfe. Refreshments available as well as a Christingle to take home. On Christmas Eve there will be an informal nativity at the church - you are invited to come dressed as your favourite character from the nativity and join in to re-tell the Christmas story. This will be led by Revd Dr Ruth Howlett-Shipley and is billed as "suitable for ages 0-100". At both these events, two young ladies who are pupils at Downton Primary School and live in Charlton, have offered to run a hot chocolate and gingerbread stall, with proceeds going towards the upkeep of the Church building.

Fundraising for this cause was also boosted when the church was packed for the recent concert given by the Mevagissey Male Choir, where £1000 was raised.

Last year's services

DOWNTON DISTILLERY

Situated at the top of Wick Down, and drawing inspiration from the surrounding chalk landscape, Downton Distillery produces international award-winning spirits. The distillery works closely with growers and conservation partners - for example, Great Bustard Gin supports the protection of one of Britain's rarest birds found on the Downs and showcases the botanicals the birds forage for. The Orchard Spirits range uses surplus fruit that would otherwise go to waste. Every bottle from this range was a finalist in the Great British Food Awards 2025. The team focuses on reducing waste, using recycled glass bottles and running a refill programme. Locally, bottles can be refilled at Downton Brewery. Short supply chains keep more money in the hands of regional businesses. This work is now being recognised, and the distillery has been shortlisted in the Drinks Business Ethical Awards against some of the largest wine producers globally. Online shopping is available at downtondistillery.com - look out for new Christmas editions: Nocino, a walnut liqueur and their Pommeau, a fortified apple juice (using apples from Cranborne Chase Cider).

STABLE & WICK BAKERY AND FARM SHOP

Stable & Wick has launched its build-your-own hampers for Christmas. Christmas cakes can be pre-ordered in both large and mini sizes, and the shop is taking orders for festive essentials including fruit, vegetables, bakery items, cheeses, and meats. In 2026, Stable & Wick plans to expand its connection with Wick Farm by offering more opportunities to buy homegrown produce, including Wick Farm lamb and beef. Following the success of summer yoga sessions provided by Yoga with Polly, there are plans to continue with outdoor wellness sessions when the weather allows. Planning is also underway for pick-your-own sunflowers and guided farm tours next year. The S&W Run Club continues every other Saturday at 7:45am, offering a 5-6K farm run followed by refreshments. Stable & Wick are grateful for the support they have received during the year: "The community that has grown around S&W means so much to us and we can't wait to share another year with you all!"

REPAIR CAFE

The Repair Cafe team would like to remind people that they are available to sort out broken tree lights, Christmas ornaments and nativity figures. As an added incentive, mulled wine will be on the menu this year. The cafe visits Downton on the first Saturday of every month, from 10am - 12 noon, so will be ready to receive your repair jobs at the Baptist Church, on 6 December, 4 January and 7 February.

The team currently has vacancies for a book repairer, a seamstress and a wickerworker.

Over Christmas, the cafe at Redlynch Village Hall will be open for pick-up and drop-off only on 24, 31 December and 2 January. Service will resume in the New Year - Wednesday and Friday mornings, 10am - 12 noon. More information from downtonrepaircafe@gmail.com or loverrepaircafe.org.uk.

CHAPLAIN CAFE AT TRAFALGAR SCHOOL SEEKS DONORS

The Chaplain Café opens every Thursday morning at Trafalgar School and has become an established part of the school calendar, offering a welcoming space for students to talk and spend time together at the start of the school day. Hot drinks are provided - the ever popular hot chocolate with whipped cream and marshmallows being a staple.

Harry, who hosts the cafe, is on the lookout for donors to help with the running costs. He says, "Support in sourcing provisions would enable the café to continue running and maintain this important weekly provision for students." Local sponsors (businesses or individuals) can contact Harry at harry.mensah@the-bridge.org.uk

A CHRISTMAS MESSAGE FROM PC MARC EVANS

As we head toward Christmas, life in the village naturally gets a little busier — and sometimes a little more rushed! Please take extra care with your speed when driving through the village. The darker mornings and earlier evenings make it harder to see, and we often have excited children about.

I'll be around the village over the coming weeks, keeping an eye on speeding and parking. I've also been working closely with the Parish Council to address some parking concerns that have been raised — particularly around junctions where poor parking can cause real safety issues. Please remember that buses, HGVs, and other larger vehicles still need space to move safely through the village.

Fraud Awareness: Unfortunately, there have been a few recent reports of fraud in our local area. Please take a moment to read these reminders and share them with friends and family:

Police Impersonation Calls: A genuine police officer will never ask you to act on their behalf or assist in an ongoing operation. If you receive a call like this, hang up immediately and do not engage further. If the police genuinely need to speak with you, we will visit in person. If in doubt, contact a friend or call me directly — together, we can help stop these scams from spreading.

Fake Parking Tickets: If you receive a fine for parking somewhere you've never been, your vehicle registration may have been cloned. Please do not pay the fine —, report it to the police straight away.

Door-to-Door Sales: Be cautious of uninvited sellers offering services such as gardening, roofing, or property maintenance. As a rule, if you didn't ask for them to visit, it's safest not to open the door. If you do need work done, research local traders and always get a written quote and invoice. If you feel pressured — or think a neighbour might be at risk — call 101 or email me directly.

A Few Final Safety Tips: As Christmas approaches, please make sure your home is secure when you go out — lock all doors and windows. We've had some daytime burglaries in the Downton area previously so a few extra precautions can make a big difference.

Thank you for your help in keeping our community safe, friendly, and mindful during this busy season.

Pc Evans Email: Marc.Evans@wiltshire.police.uk. Mobile 07876 817927 when on duty or call 101.

HORTICULTURAL SOCIETY

At the society's recent meeting, Floral Art demonstrator, Andrea Hillyard, created four floral arrangements. She described making a Christmas Brussels sprouts wreath for her daughter, a photo of which was posted on social media and then went viral, resulting in Andrea being interviewed on TV. Raffle winners were able to take home one of the four pieces created during the demonstration.

Plans To Expand Primary School

With the active support of Downton Parish Council and Downton Primary School, Wiltshire Council's Education Department has submitted a planning application to expand the school in order to ensure that all primary aged children of the parish will continue to have the option of attending the school. The plan is to build two more classrooms, extend the main hall and expand the school's all-weather play areas going across the top of The Bunting and into the Memorial Gardens. The plan closely follows the proposals that had strong support from the Public Consultation with the Environment Agency following more detailed consultation for the flood defence capabilities (which has also with Sport England, the plan has developed further, and also with Sport England, the plan has been changed to a covering the Bunting and new play area and Memorial Gardens.

NEW TENANTS AND A NEW NAME FOR WHITE HORSE

The White Horse is being taken over by new tenants on a twenty year lease from Enterprise Inns. It will be renamed 'The Goat at Downton' and launched as a gastro pub in early April. In the intervening weeks, improvements will be made to the interior and to kitchen and storage areas - in line with plans outlined in planning applications submitted and approved last year.

The stables will be made over to dining, but a bar and drinking area (with beer, including local brews) will be retained at the front of the pub. The field at the rear is expected to be turned into a car park. The new owners (a partnership of two experienced restaurateurs)

With a Cuckoo Fair this year, we're not sure how well it will go. I'm not sure if it's because the weather is so bad, or if the location is not good enough. At least we're not going to be disappointed. I hope the new fair will be a success. I'm looking forward to the new year.

Miss Wiggledownton's Lifestyle Column

Welcome, dear readers!

Or should I say “oi oi” - for I have been lifting weights and getting strong! You can probably feel my newfound power emanating through the page. This is all thanks to Penny of Clubbercise fame, who also runs group personal training sessions from her home in the village.

I admit, I signed up with the sole aim of building muscle and bone strength (so important in middle age and beyond) and was not expecting to enjoy it at all - but it's a hoot! Groups of three or four ladies meet on Monday afternoon, Thursday evening or Friday morning and work out in a circuit style format, completing sets of tailored exercises using an impressive selection of equipment, under Penny's expert supervision. The best bit is the banter - yes I said banter - everyone enjoys a good chin wag and a giggle, making the hour fly by. I'm loving it and am feeling and looking stronger and trimmer after only a couple of months. More info at myhhf.co.uk

In my mission to look after my body and mind I also tried out Laughter Yoga with Katie Gape at Downton Memorial Hall. Laughter yoga is based on the principle that the body doesn't distinguish between fake and real laughter, so intentionally laughing can provide the same physical and mental benefits. It combines deep-breathing with playful exercises, and simulated laughter to increase oxygen to the brain and body, reduce stress hormones like cortisol, and improve mood. Apparently the practice doesn't require a sense of humour but having experienced it - I think it definitely helps! You have to leave your inhibitions at the door and go with the flow. Also, it has nothing to do with traditional yoga, so don't turn up in full yoga wear with a mat like I did - at least it made the others laugh! Email kgape01@gmail.com.

The activities vary from week to week, from Move & Make Music with Sounds Better CIC, to crafts, games, puzzles, or gentle movement. Participation is optional, and volunteers are on hand to provide support. Carers are warmly welcomed - to join in, take a breather, and connect with others who truly understand. THANK YOUS!

A big thank you to Veronica Batchelor at St Laurence Church for doing such an amazing job at our son Archie Ray Philpot's christening. We had the most wonderful day, and everyone commented on how fantastic you were. We are so grateful - thank you! Many thanks, Jessie M Philpot

The Cuckoo Fair would like to thank the generosity of local business Toomers Ltd for once again sponsoring the Fair and providing once again the road barriers. Equally our thanks go to Batt Broadbent Solicitors who are again sponsoring the printing of our Day Leaflet.

Stable & Wick would like to say a huge thank you to everyone. "The community that has grown around S&W means so much to us, and we can't wait to share another fantastic year with you all! A special thank you goes to our incredible S&W team for their hard work, enthusiasm, early mornings, and the effort they put in every single day to make S&W what it is."

Do you have someone in the village that you would like to thank? Let us know: editor@indownton.org.uk

Fridays' Community Café wouldn't be possible without the unsung heroes that turn up each month: Sylvia, who washes the tablecloths; bakers Jane, Mandy, Jan, Susan, Hilary, Kate and Terry who regularly bring homemade cakes. Where would we be without our washer uppers, Mo, have Andy, Will, David and Steve who set up and put away table and chairs each month. When school holidays permit, Oliver & George help with tidying up. Thanks to all of you.

A huge effort goes in to enable the Wardrobe to take place each month. Thank you to everyone who has donated, sorted, helped set up/clear away during 2025 and for partnering with us.

The Larder would like to thank our generous community for harvest gifts and continuing support. Particular thanks go to Downton Primary School, The Trafalgar School, St Laurence Church, contributors at the Co-op, and the Lover/Downton Repair Café.

Malcolm Dean, would like to thank those who came to the Late Summer Ball, and everyone who helped.

DOWNTON COMMUNITY CHOIR

Christmas is a busy period for the Community Choir. This year, the choir will perform at the village Christmas tree lighting on the Borough on Friday 5 December, at the St Laurence Christmas Tree Festival on Saturday 6 December, at the village carol service on Sunday 7 December, and at the Good Companions Christmas party at the Memorial Hall on Tuesday 16 December. The choir will also sing outside The Goat on Christmas Eve.

New members are welcome. The choir is non-auditioned and open to individuals with a range of musical experience. Rehearsals take place from 7:30pm - 9pm every Wednesday during term time in the Sherwood Room at Downton Football Club on Wick Lane. The choir is happy to sing at local fundraising events - if you are organising something, then do get in touch. For further information, contact keedgar@aol.com or visit kateedgarmusic.com.
